§ 764.2 Abbreviations and definitions.

Abbreviations and definitions for terms used in this part are provided in § 761.2 of this chapter.

§§ 764.3–764.50 [Reserved]

Subpart B—Loan Application Process

§ 764.51 Loan application.

(a) A loan application must be submitted in the name of the actual operator of the farm. Two or more applicants applying jointly will be considered an entity applicant. The Agency will consider tax filing status and other business dealings as indicators of the operator of the farm.

(b) A complete loan application, except as provided in paragraphs (c) through (f) of this section, will include:

- (1) The completed Agency application form;
- (2) If the applicant is an entity:
 - (i) A complete list of entity members showing the address, citizenship, principal occupation, and the number of shares and percentage of ownership or stock held in the entity by each member, or the percentage of interest in the entity held by each member;
 - (ii) A current financial statement from each member of the entity;
 - (iii) A current financial statement from the entity itself;
 - (iv) A copy of the entity's charter or any entity agreement, any articles of incorporation and bylaws, any certificate or evidence of current registration

(good standing), and a resolution adopted by the Board of Directors or entity members authorizing specified officers of the entity to apply for and obtain the desired loan and execute required debt, security and other loan instruments and agreements;

(v) In the form of married couples applying as a joint operation, items (i) and (iv) will not be required. The Agency may request copies of the marriage license, prenuptial agreement or similar documents as needed to verify loan eligibility and security. Items (ii) and (iii) are only required to the extent needed to show the individual and joint finances of the husband and wife without duplication.

(3) A written description of the applicant's farm training and experience, including each entity member who will be involved in managing or operating the farm. Farm experience of the applicant, without regard to any lapse of time between the farm experience and the new application, may be included in the applicant's written description. If farm experience occurred more than 5 years prior to the date of the new application, the applicant must demonstrate sufficient on-the-job training or education within the last 5 years to demonstrate managerial ability;

(4) The last 3 years of farm financial records, including tax returns, unless the applicant has been farming less than three years;

(5) The last 3 years of farm production records, unless the applicant has been farming less than 3 years;

(6) Except for CL, documentation that the applicant and each member of an entity applicant cannot obtain sufficient credit elsewhere on reasonable rates and terms, including a loan guaranteed by the Agency;

(7) Documentation of compliance with the Agency's environmental regulations contained in subpart G of 7 CFR part 1940;

(8) Verification of all non-farm income;

(9) A current financial statement and the operation's farm operating plan, including the projected cash flow budget reflecting production, income, expenses, and loan repayment plan;

(10) A legal description of the farm property owned or to be acquired and,

(c) For an ML request, all of the following criteria must be met:

(1) The loan requested is:

(i) To pay annual or term operating expenses, and

(ii) \$50,000 or less and the applicant's total outstanding Agency OL debt at the time of loan closing will be \$50,000 or less,

(2) The applicant must submit the following:

(i) Items (1), (2), (3), (6), (7), (9), and (11) of paragraph (b) of this section;

(ii) Financial and production records for the most recent production cycle, if available, and practicable to project the cash flow of the operating cycle, and

(iv) Verification of all non-farm income relied upon for repayment; and

(2) Applicants 18 years or older, must also provide items (11) and (12) of paragraph (b) of this section.

(3) The Agency may require a youth loan applicant to submit any other information listed in paragraph (b) of this section as needed to make a determination on the loan application.

(b) If the additional information is not received, the Agency will provide written notice that the application will be withdrawn if the information is not received within 10 calendar days of the date of this second notice.

§ 764.53

§ 764.53 Processing the complete application.

Upon receiving a complete loan application, the Agency will:

(a) Consider the loan application in the order received, based on the date the application was determined to be complete.

(b) Provide written notice to the applicant that the application is complete.

(c) Within 60 calendar days after receiving a complete loan application, the Agency will complete the processing of the loan request and notify the applicant of the decision reached, and the reason for any disapproval.

(d) Except for CL requests, if based on the Agency's review of the application, it appears the applicant's credit needs could be met through the guaranteed loan program, the Agency will assist the applicant in securing guaranteed loan assistance under the market placement program as specified in § 762.110(h) of this chapter.

(e) In the absence of funds for a direct loan, the Agency will keep an approved loan application on file until funding is available. At least annually, the Agency will contact the applicant to determine if the Agency should retain the application or if the applicant wants the application withdrawn.

(f) If funding becomes available, the Agency will resume processing of approved loans in accordance with this part.

[72 FR 63298, Nov. 8, 2007, as amended at 75 FR 54015, Sept. 3, 2010]

(b) *Secondary priorities.* If two or more applications were received on the same date, the Agency will give preference to:

(1) First, an applicant who is a veteran of any war;

(2) Second, an applicant who is not a veteran, but:

§§ 764.55–764.100 [Reserved]

Subpart C—Requirements for All Direct Program Loans

§ 764.101 General eligibility requirements.

The following requirements must be met unless otherwise provided in the eligibility requirements for the particular type of loan.

(a) *Controlled substances.* The applicant, and anyone who will sign the promissory note, must not be ineligible for loans as a result of a conviction for controlled substances according to 7 CFR part 718 of this chapter.

(b) *Legal capacity.* The applicant, and anyone who will sign the promissory note, must possess the legal capacity to incur the obligation of the loan. A Youth loan applicant will incur full personal liability upon execution of the promissory note without regard to the applicant's minority status.

(c) *Citizenship.* The applicant, and anyone who will sign the promissory note, must be a citizen of the United States, United States non-citizen national, or a qualified alien under applicable Federal immigration laws.

(d) *Credit history.* The applicant must have acceptable credit history demonstrated by debt repayment.

(1) As part of the credit history, the Agency will determine whether the applicant will carry out the terms and conditions of the loan and deal with the Agency in good faith. In making this determination, the Agency may examine whether the applicant has properly fulfilled its obligations to other parties, including other agencies of the Federal Government.

(2) When the applicant caused the Agency a loss by receiving debt forgiveness, the applicant may be ineligible for assistance in accordance with eligibility requirements for the specific loan type. If the debt forgiveness is cured by repayment of the Agency's loss, the Agency may still consider the debt forgiveness in determining the applicant's credit worthiness.

(3) A history of failures to repay past debts as they came due when the ability to repay was within the applicant's control will demonstrate unacceptable credit history. The following circumstances, for example, do not automatically indicate an unacceptable credit history:

(i) Foreclosures, judgments, delinquent payments of the applicant which occurred more than 36 months before the application, if no recent similar situations have occurred, or Agency delinquencies that have been resolved through loan servicing programs available under 7 CFR part 766.

(ii) Isolated incidents of delinquent payments which do not represent a general pattern of unsatisfactory or slow payment.

(iii) "No history" of credit transactions by the applicant.

(iv) Recent foreclosure, judgment, bankruptcy, or delinquent payment when the applicant can satisfactorily demonstrate that the adverse action or delinquency was caused by circumstances that were of a temporary nature and beyond the applicant's control; or the result of a refusal to make full payment because of defective goods or services or other justifiable dispute relating to the purchase or contract for goods or services.

(e) *Availability of credit elsewhere.* Except for CL, the applicant, and all entity members in the case of an entity, must be unable to obtain sufficient credit elsewhere to finance actual needs at reasonable rates and terms. The Agency will evaluate the ability to obtain credit based on factors including, but not limited to:

(1) Loan amounts, rates, and terms available in the marketplace; and

(2) Property interests, income, and significant non-essential assets.

(f) *Not in delinquent status on Federal debt.* As provided in 31 CFR part 285, except for EM loan applicants, the applicant, and anyone who will sign the promissory note, must not be in delinquent status on any Federal debt, other than a debt under the Internal Revenue Code of 1986 at the time of loan closing. All delinquent debts, however, will be considered in determining credit history and ability to repay under this part.

(g) *Outstanding judgments.* The applicant, and anyone who will sign the promissory note, must have no outstanding unpaid judgments obtained by the United States in any court. Such judgments do not include those filed as a result of action in the United States Tax Courts.

(h) *Federal crop insurance violation.* The applicant, and all entity members in the case of an entity, must not be ineligible due to disqualification resulting from Federal crop insurance violation according to 7 CFR part 718.

(i) *Managerial ability.* The applicant must have sufficient managerial ability to assure reasonable prospects of loan repayment, as determined by the Agency. The applicant must demonstrate this managerial ability by:

(1) *Education.* For example, the applicant obtained a 4-year college degree in agricultural business, horticulture, animal science, agronomy, or other agricultural-related field.

(2) *On-the-job training.* For example, the applicant is currently working on a farm as part of an apprenticeship program.

(3) *Farming experience.* For example, the applicant has been an owner, manager, or operator of a farm business for at least one entire production cycle or for MLs the applicant may have obtained and successfully repaid one FSA Youth-OL. Farm experience of the applicant, without regard to any lapse of time between the farm experience and the new application, will be taken into consideration in determining loan eligibility. If farm experience occurred more than 5 years prior to the date of the new application, the applicant must demonstrate sufficient on-the-job training or education within the last 5 years to demonstrate managerial ability.

(4) *Alternatives for ML.* ML applicants also may demonstrate managerial ability by one of the following:

(i) Certification of a past participation with an agriculture-related organization, such as, but not limited to, 4-H Club, FFA, beginning farmer and rancher development programs, or Community Based Organizations, that demonstrates experience in a related agricultural enterprise; or

§ 764.102

(ii) A written description of a self-directed apprenticeship combined with either prior sufficient experience working on a farm or significant small business management experience. As a condition of receiving the loan, the self-directed apprenticeship requires that the applicant seek, receive, and apply guidance from a qualified person during the first cycle of production and marketing typical for the applicant's specific operation. The individual providing the guidance must be knowledgeable in production, management, and marketing practices that are pertinent to the applicant's operation, and agree to form a developmental partnership with the applicant to share knowledge, skills, information, and perspective of agriculture to foster the applicant's development of technical skills and management ability.

(j) *Borrower training.* The applicant must agree to meet the training requirements in subpart K of this part.

(k) *Operator of a family farm.* Except for CL:

(1) The applicant must be the operator of a family farm after the loan is closed.

(2) For an entity applicant, if the entity members holding a majority interest are:

(i) Related by blood or marriage, at least one member must be the operator of a family farm;

(ii) Not related by blood or marriage, the entity members holding a majority interest must be operators of a family farm.

(3) Except for EM loans, the collective interests of the members may be larger than a family farm only if:

(i) Each member's ownership interest is not larger than a family farm;

(ii) All of the members of the entity are related by blood or marriage; and

(iii) All of the members are or will become operators of the family farm; and

(4) If the entity applicant has an operator and ownership interest for farm ownership loans and emergency loans for farm ownership loan purposes, in any other farming operation, that farming operation must not exceed the requirements of a family farm.

(l) *Entity composition.* If the applicant has one or more embedded entities, at

7 CFR Ch. VII (1–16 Edition)

least 75 percent of the individual ownership interests of each embedded entity must be owned by members actively involved in managing or operating the family farm.

[72 FR 63298, Nov. 8, 2007, as amended at 75 FR 54015, Sept. 3, 2010; 76 FR 75434, Dec. 2, 2011; 78 FR 3835, Jan. 17, 2013; 79 FR 60744, Oct. 8, 2014]

§ 764.102 General limitations.

(a) Limitations specific to each loan program are contained in subparts D through I of this part.

(b) The total principal balance owed to the Agency at any one time by the applicant, or any one who will sign the promissory note, cannot exceed the limits established in § 761.8 of this chapter.

(c) The funds from the FLP loan must be used for farming operations located in the United States.

(d) The Agency will not make a loan if the proceeds will be used:

(1) For any purpose that contributes to excessive erosion of highly erodible land, or to the conversion of wetlands;

(2) To drain, dredge, fill, level, or otherwise manipulate a wetland; or

(3) To engage in any activity that results in impairing or reducing the flow, circulation, or reach of water, except in the case of activity related to the maintenance of previously converted wetlands as defined in the Food Security Act of 1985.

(e) Any construction financed by the Agency must comply with the standards established in § 761.10 of this chapter.

(f) Loan funds will not be used to establish or support a non-eligible enterprise, even if the non-eligible enterprise contributes to the farm. Notwithstanding this limitation, an EM loan may cover qualified equine losses as specified in subpart I of this part.

[72 FR 63298, Nov. 8, 2007, as amended at 75 FR 54015, Sept. 3, 2010; 76 FR 75434, Dec. 2, 2011]

§ 764.103 General security requirements.

(a) Security requirements specific to each loan program are outlined in subparts D through I of this part.

(b) All loans must be secured by assets having a security value of at least

100 percent of the loan amount, except for EM loans as provided in subpart I of this part. If the applicant's assets do not provide adequate security, the Agency may accept:

(1) A pledge of security from a third party; or

(2) Interests in property not owned by the applicant (such as leases that provide a mortgageable value, water rights, easements, mineral rights, and royalties).

(c) An additional amount of security up to 150 percent of the loan amount will be taken when available, except for downpayment loans, MLs made for purposes other than annual operating, and youth loans.

(d) The Agency will choose the best security available when there are several alternatives that meet the Agency's security requirements.

(e) The Agency will take a lien on all assets that are not essential to the farming operation and are not being converted to cash to reduce the loan amount when each such asset, or aggregate value of like assets (such as stocks), has a value in excess of \$5,000. The value of this security is not included in the Agency's additional security requirement stated in paragraph (c) of this section. This requirement does not apply to downpayment loans, CL, ML, or youth loans.

[72 FR 63298, Nov. 8, 2007, as amended at 73 FR 74345, Dec. 8, 2008; 75 FR 54015, Sept. 3, 2010; 78 FR 3835, Jan. 17, 2013]

§ 764.104 General real estate security requirements.

(a) *Agency lien position requirements.* If real estate is pledged as security for a loan, the Agency must obtain a first lien, if available. When a first lien is not available, the Agency may take a junior lien under the following conditions:

(1) The prior lien does not contain any provisions that may jeopardize the Agency's interest or the applicant's ability to repay the FLP loan;

(2) Prior lienholders agree to notify the Agency prior to foreclosure;

(3) The applicant must agree not to increase an existing prior lien without the written consent of the Agency; and

(4) Equity in the collateral exists.

(b) *Real estate held under a purchase contract.* If the real estate offered as security is held under a recorded purchase contract:

(1) The applicant must provide a security interest in the real estate;

(2) The applicant and the purchase contract holder must agree in writing that any insurance proceeds received for real estate losses will be used only for one or more of the following purposes:

(i) To replace or repair the damaged real estate improvements which are essential to the farming operation;

(ii) To make other essential real estate improvements; or

(iii) To pay any prior real estate lien, including the purchase contract.

(3) The purchase contract must provide the applicant with possession, control and beneficial use of the property, and entitle the applicant to marketable title upon fulfillment of the contract terms.

(4) The purchase contract must not:

(i) Be subject to summary cancellation upon default;

(ii) Contain provisions which jeopardize the Agency's security position or the applicant's ability to repay the loan.

(5) The purchase contract holder must agree in writing to:

(i) Not sell or voluntarily transfer their interest without prior written consent of the Agency;

(ii) Not encumber or cause any liens to be levied against the property;

(iii) Not take any action to accelerate, forfeit, or foreclose the applicant's interest in the security property until a specified period of time after notifying the Agency of the intent to do so;

(iv) Consent to the Agency making the loan and taking a security interest in the applicant's interest under the purchase contract as security for the FLP loan;

(v) Not take any action to foreclose or forfeit the interest of the applicant under the purchase contract because the Agency has acquired the applicant's interest by foreclosure or voluntary conveyance, or because the Agency has subsequently sold or assigned the applicant's interest to a

§ 764.105

third party who will assume the applicant's obligations under the purchase contract;

(vi) Notify the Agency in writing of any breach by the applicant; and

(vii) Give the Agency the option to rectify the conditions that amount to a breach within 30 days after the date the Agency receives written notice of the breach.

(6) If the Agency acquires the applicant's interest under the purchase contract by foreclosure or voluntary conveyance, the Agency will not be deemed to have assumed any of the applicant's obligations under the contract, provided that if the Agency fails to perform the applicant's obligations while it holds the applicant's interest is grounds for terminating the purchase contract.

(c) *Tribal lands held in trust or restricted.* The Agency may take a lien on Indian Trust lands as security provided the applicant requests the Bureau of Indian Affairs to furnish Title Status Reports to the agency and the Bureau of Indian Affairs provides the reports and approves the lien.

(d) *Security for more than one loan.* The same real estate may be pledged as security for more than one direct or guaranteed loan.

(e) *Loans secured by leaseholds.* A loan may be secured by a mortgage on a leasehold, if the leasehold has negotiable value and can be mortgaged.

§ 764.105 General chattel security requirements.

The same chattel may be pledged as security for more than one direct or guaranteed loan.

§ 764.106 Exceptions to security requirements.

Notwithstanding any other provision of this part, the Agency will not take a security interest:

(a) When adequate security is otherwise available and the lien will prevent the applicant from obtaining credit from other sources;

(b) When the property could have significant environmental problems or costs as described in subpart G of 7 CFR part 1940;

(c) When the Agency cannot obtain a valid lien;

(d) When the property is the applicant's personal residence and appurtenances and:

(1) They are located on a separate parcel; and

(2) The real estate that serves as security for the FLP loan plus crops and chattels are greater than or equal to 150 percent of the unpaid balance due on the loan;

(e) When the property is subsistence livestock, cash, working capital accounts the applicant uses for the farming operation, retirement accounts, personal vehicles necessary for family living, household contents, or small equipment such as hand tools and lawn mowers; or

(f) On marginal land and timber that secures an outstanding ST loan.

§ 764.107 General appraisal requirements.

(a) *Establishing value for real estate.* The value of real estate will be established by an appraisal completed in accordance with § 761.7 of this chapter.

(b) *Establishing value for chattels.* The value of chattels will be established as follows:

(1) *Annual production.* The security value of annual livestock and crop production is presumed to be 100 percent of the amount loaned for annual operating and family living expenses, as outlined in the approved farm operating plan.

(2) *Livestock and equipment.* The value of livestock and equipment will be established by an appraisal completed in accordance with § 761.7 of this chapter.

§ 764.108 General insurance requirements.

The applicant must obtain and maintain insurance, equal to the lesser of the value of the security at the time of loan closing or the principal of all FLP and non-FLP loans secured by the property, subject to the following:

(a) All security, except growing crops, must be covered by hazard insurance if it is readily available (sold by insurance agents in the applicant's normal trade area) and insurance premiums do not exceed the benefit. The Agency must be listed as loss payee for the insurance indemnity payment or as

Farm Service Agency, USDA

§ 764.152

a beneficiary in the mortgagee loss payable clause.

(b) Real estate security located in flood or mudslide prone areas must be covered by flood or mudslide insurance. The Agency must be listed as a beneficiary in the mortgagee loss payable clause.

(c) Growing crops used to provide adequate security must be covered by crop insurance if such insurance is available. The Agency must be listed as loss payee for the insurance indemnity payment.

(d) Prior to closing the loan, the applicant must have obtained at least the catastrophic risk protection level of crop insurance coverage for each crop which is a basic part of the applicant's total operation, if such insurance is available, unless the applicant executes a written waiver of any emergency crop loss assistance with respect to such crop. The applicant must execute an assignment of indemnity in favor of the Agency for this coverage.

§§ 764.109–764.150 [Reserved]

Subpart D—Farm Ownership Loan Program

§ 764.151 Farm Ownership loan uses.

FO loan funds may only be used to:

(a) Acquire or enlarge a farm or make a down payment on a farm;

(1) The amount of credit necessary to restore the farming operation to its pre-disaster condition;

(2) In the case of a physical loss loan, the total eligible physical losses caused by the disaster; or

(3) In the case of a production loss loan, 100 percent of the total actual production loss sustained by the applicant as calculated in paragraph (c) of this section.

(c) For production loss loans, the applicant's actual crop production loss will be calculated as follows:

(1) Subtract the disaster yield from the normal yield to determine the per acre production loss;

(2) Multiply the per acre production loss by the number of acres of the farming operation devoted to the crop to determine the volume of the production loss;

(3) Multiply the volume of the production loss by the market price for such crop as determined by the Agency to determine the dollar value for the production loss; and

(4) Subtract any other disaster related compensation or insurance indemnities received or to be received by the applicant for the production loss.

(d) For a physical loss loan, the applicant's total eligible physical losses will be calculated as follows:

(1) Add the allowable costs associated with replacing or repairing chattel covered by hazard insurance (excluding labor, machinery, equipment, or materials contributed by the applicant to repair or replace chattel);

(2) Add the allowable costs associated with repairing or replacing real estate, covered by hazard insurance;

(3) Add the value of replacement livestock and livestock products for which the applicant provided:

(i) Written documentation of inventory on hand immediately preceding the loss;

(ii) Records of livestock product sales sufficient to allow the Agency to establish a value;

(4) Add the allowable costs to restore perennials to the stage of development the damaged perennials had obtained prior to the disaster;

(5) Add, in the case of an individual applicant, the allowable costs associated with repairing or replacing household contents, not to exceed \$20,000; and

§ 764.354

(6) Subtract any other disaster related compensation or insurance indemnities received or to be received by the applicant for the loss or damage to the chattel or real estate.

(e) EM loan funds may not be used for physical loss purposes unless:

(1) The physical property was covered by general hazard insurance at the time that the damage caused by the natural disaster occurred. The level of the coverage in effect at the time of the disaster must have been the tax or cost depreciated value, whichever is less. Chattel property must have been covered at the tax or cost depreciated value, whichever is less, when such insurance was readily available and the benefit of the coverage was greater than the cost of the insurance; or

(2) The loan is to a poultry farmer to cover the loss of a chicken house for which the applicant did not have hazard insurance at the time of the loss and the applicant:

(i) Applied for, but was unable to obtain hazard insurance for the chicken house;

(ii) Uses the loan to rebuild the chicken house in accordance with industry standards in effect on the date the applicant submits an application for the loan;

(iii) Obtains, for the term of the loan, hazard insurance for the full market value of the chicken house; and

(iv) Meets all other requirements for the loan.

(f) EM loan funds may not be used to refinance consumer debt, such as automobile loans, or credit card debt unless such credit card debt is directly attributable to the farming operation.

(g) Losses associated with horses used for racing, showing, recreation, or pleasure or loss of income derived from racing, showing, recreation, boarding, or pleasure are not considered qualified losses under this section.

§ 764.354 Rates and terms.

(a) *Rates.* (1) The interest rate is the Agency's Emergency Loan Actual Loss rate, available in each Agency office.

(2) The interest rate charged will be the lower rate in effect at the time of loan approval or loan closing.

7 CFR Ch. VII (1-1-16 Edition)

(b) *Terms.* (1) The Agency schedules repayment of EM loans based on the useful life of the security, the applicant's repayment ability, and the type of loss.

(2) The repayment schedule must include at least one payment every year.

(3) EM loans for annual operating expenses, except expenses associated with establishing a perennial crop that are subject to paragraph (b)(4), must be repaid within 12 months. The Agency may extend this term to not more than 18 months to accommodate the production cycle of the agricultural commodities.

(4) EM loans for production losses or physical losses to chattel (including, but not limited to, assets with an expected life between one and 7 years) may not exceed 7 years. The Agency may extend this term up to a total length not to exceed 20 years, if necessary to improve the applicant's repayment ability and real estate security is available.

(5) The repayment schedule for EM loans for physical losses to real estate is based on the applicant's repayment ability and the useful life of the security, but in no case will the term exceed 40 years.

§ 764.355 Security requirements.

(a) EM loans made under § 764.351(a)(1) must comply with the general security requirements established at §§ 764.103, 764.104 and 764.155(b).

(b) EM loans made as specified in § 764.351(a)(2) and (b) must generally comply with the general security requirements established in §§ 764.103, 764.104, and 764.255(b). These general security requirements, however, do not apply to equine loss loans to the extent that a lien is not obtainable or obtaining a lien may prevent the applicant from carrying on the normal course of business. Other security may be considered for an equine loss loan in the order of priority as follows:

(1) Real estate,

(2) Chattels and crops, other than horses,

(3) Other assets owned by the applicant,

(4) Third party pledges of property not owned by the applicant,

Farm Service Agency, USDA

§ 764.401

(5) Repayment ability under paragraph (c) of this section.

(c) Notwithstanding the requirements of paragraphs (a) and (b) of this section, when adequate security is not available because of the disaster, the loan may be approved if the Agency determines, based on an otherwise feasible plan, there is a reasonable assurance that the applicant has the ability to repay the loan provided:

(1) The applicant has pledged as security for the loan all available personal and business security, except as provided in § 764.106;

(2) The farm operating plan, approved by the Agency, indicates the loan will be repaid based upon the applicant's production and income history; addresses applicable pricing risks through the use of marketing contracts, hedging, options, or other revenue protection mechanisms, and includes a marketing plan or similar risk management practice;

(3) The applicant has had positive net cash farm income in at least 3 of the past 5 years; and

(4) The applicant has provided the Agency an assignment on any USDA program payments to be received.

(d) For loans over \$25,000, title clearance is required when real estate is taken as security.

(e) For loans of \$25,000 or less, when real estate is taken as security, a certification of ownership in real estate is required. Certification of ownership may be in the form of an affidavit which is signed by the applicant, names the record owner of the real estate in question and lists the balances due on all known debts against the real estate. Whenever the Agency is uncertain of the record owner or debts against the real estate security, a title search is required.

[72 FR 63298, Nov. 8, 2007, as amended at 76 FR 75434, Dec. 2, 2011]

§ 764.356 Appraisal and valuation requirements.

(a) In the case of physical losses associated with livestock, the applicant must have written documentation of the inventory of livestock and records of livestock product sales sufficient to allow the Agency to value such live-

stock or livestock products just prior to the loss.

(b) In the case of farm assets damaged by the disaster, the value of such security shall be established as of the day before the disaster occurred.

(c) In the case of an equine loss loan:

(1) The applicant's Federal income tax and business records will be the primary source of financial information. Sales receipts, invoices, or other official sales records will document the sales price of individual animals.

(2) If the applicant does not have 3 complete years of business records, the Agency will obtain the most reliable and reasonable information available from sources such as the Cooperative Extension Service, universities, and breed associations to document production for those years for which the applicant does not have a complete year of business records.

Subpart J—Loan Decision and Closing

SOURCE: 72 FR 63298, Nov. 8, 2007, unless otherwise noted. Redesignated at 75 FR 54015, Sept. 3, 2010.

§ 764.401 Loan decision.

(a) *Loan approval.* (1) The Agency will approve a loan only if it determines that:

(i) The applicant's farm operating plan reflects a feasible plan, which includes repayment of the proposed loan and demonstrates that all other credit needs can be met;

(ii) The proposed use of loan funds is authorized for the type of loan requested;

(iii) The applicant has been determined eligible for the type of loan requested;

(iv) All security requirements for the type of loan requested have been, or will be met before the loan is closed;

(v) The applicant's total indebtedness to the Agency, including the proposed loan, will not exceed the maximum limits established in § 761.8 of this chapter;

(vi) There have been no significant changes in the farm operating plan or the applicant's financial condition since the time the Agency received a complete application; and

(vii) All other pertinent requirements have been, or will be met before the loan is closed.

(2) The Agency will place conditions upon loan approval it determines necessary to protect its interest and maximize the applicant's potential for success.

(b) *Loan denial.* The Agency will not approve a loan if it determines that:

(1) The applicant's farm operating plan does not reflect a feasible plan;

(2) The proposed use of loan funds is not authorized for the type of loan requested;

(3) The applicant does not meet the eligibility requirements for the type of loan requested;

(4) There is inadequate security for the type of loan requested;

(5) Approval of the loan would cause the applicant's total indebtedness to the Agency to exceed the maximum limits established in § 761.8 of this chapter;

(6) The applicant's circumstances may not permit continuous operation and management of the farm; or

(7) The applicant, the farming operation, or other circumstances surrounding the loan are inconsistent with the authorizing statutes, other Federal laws, or Federal credit policies.

(c) *Overtake of an Agency decision by appeal.* If an FLP loan denial is overturned on administrative appeal, the Agency will not automatically approve the loan. Unless prohibited by the final appeal determination or otherwise advised by the Office of General Counsel, the Agency will:

(1) Request current financial information from the applicant as necessary to determine whether any changes in the applicant's financial condition or agricultural conditions which occurred after the Agency's adverse decision was made will adversely affect the applicant's farming operation;

(2) Approve a loan for crop production:

(i) Only if the Agency can determine that the applicant will be able to

produce a crop in the production cycle for which the loan is requested; or

(ii) For the next production cycle, upon review of current financial data and a farm operating plan for the next production cycle, if the Agency determines the loan can be repaid. The new farm operating plan must reflect any financial issues resolved in the appeal.

(3) Determine whether the applicant's farm operating plan, as modified based on the appeal decision, reflects a feasible plan, which includes repayment of the proposed loan and demonstrates that all other credit needs can be met.

§ 764.402 Loan closing.

(a) *Signature requirements.* Signatures on loan documents are required as follows:

(1) For individual applicants, only the applicant is required to sign the promissory note.

(2) For entity applicants, the promissory note will be executed to evidence the liability of the entity, any embedded entities, and the individual liability of all entity members.

(3) Despite minority status, a youth executing a promissory note for a Youth loan will incur full personal liability for the debt.

(4) A cosigner will be required to sign the promissory note if they assist the applicant in meeting the repayment requirements for the loan requested.

(5) All signatures needed for the Agency to acquire the required security interests will be obtained according to State law.

(b) *Payment of fees.* The applicant, or in the case of a real estate purchase, the applicant and seller, must pay all filing, recording, notary, lien search, and any other fees necessary to process and close a loan.

(c) *Chattel-secured loans.* The following requirements apply to loans secured by chattel:

(1) The Agency will close a chattel loan only when it determines the Agency requirements for the loan have been satisfied;

(2) A financing statement is required for every loan except when a filed financing statement covering the applicant's property is still effective, covers all types of chattel property that will

Farm Service Agency, USDA

§ 764.452

serve as security for the loan, describes the land on which crops and fixtures are or will be located, and complies with the law of the jurisdiction where filed;

(3) A new security agreement is required for new loans, as necessary to secure the loan under State law, prior to the disbursement of loan funds.

(d) *Real estate-secured loans.* (1) The Agency will close a real estate loan only when it determines that the Agency requirements for the loan have been satisfied and the closing agent can issue a policy of title insurance or final title opinion as of the date of closing. The title insurance or final title opinion requirement may be waived:

- (i) For loans of \$10,000 or less;
- (ii) As provided in § 764.235 for CLs and § 764.355 for EMs;
- (iii) When the real estate is considered additional security by the Agency; or
- (iv) When the real estate is a non-essential asset.

(2) The title insurance or final title opinion must show title vested as required by the Agency, the lien of the Agency's security instrument in the priority required by the Agency, and title to the security property, subject only to those exceptions approved in writing by the Agency.

(3) The Agency must approve agents who will close FLP loans. Closing agents must meet all of the following requirements to the Agency's satisfaction:

- (i) Be licensed in the state where the loan will be closed;
- (ii) Not be debarred or suspended from participating in any Federal programs;
- (iii) Maintain liability insurance;
- (iv) Have a fidelity bond that covers all employees with access to loan funds;
- (v) Have current knowledge of the requirements of State law in connection with the loan closing and title clearance;
- (vi) Not represent both the buyer and seller in the transaction;
- (vii) Not be related as a family member or business associate with the applicant; and
- (viii) Act promptly to provide required services.

(e) *Disbursement of funds.* (1) Loan funds will be made available to the applicant within 15 days of loan approval, subject to the availability of funding.

(2) If the loan is not closed within 90 days of loan approval or if the applicant's financial condition changes significantly, the Agency must reconfirm the requirements for loan approval prior to loan closing. The applicant may be required to provide updated information for the Agency to reconfirm approval and proceed with loan closing.

(3) The Agency or closing agent will be responsible for disbursing loan funds. The electronic funds transfer process, followed by Treasury checks, are the Agency's preferred methods of loan funds disbursement. The Agency will use these processes on behalf of borrowers to disburse loan proceeds directly to creditors being refinanced with loan funds or to sellers of chattel property that is being acquired with loan funds. A supervised bank account will be used according to subpart B of part 761 of this chapter when these processes are not practicable.
